Mr. Edward S. Lewis
Urban League of Greater New York
202 West 136th Street
New York, New York

Dear Mr. Lewis:

Roy Norris told me that he would like to continue his interest in the work of the Urban League and that there was a possibility that he might become connected with you.

I want you to know that I have known Mr. Norris over a period of two years during which time he has been a frequent visitor to my office, and we have worked together toward the objectives of the Urban League. I have a high regard for Mr. Norris and believe him to be a man of integrity and well-fitted for the type of work that the Urban League is carrying on. Inasmuch as he seems very interested in continuing the work, I hope that you will see your way clear to taking him on.

If you desire any further information about Mr. Norris, I should be glad to have you call me on the phone.

Sincerely yours,

TRJ
